New York, Sept. 19, 1877.
Dr. Tutt: Dear Sir-During this year I treated nine hundred cases of lung diseases. In the lower wards of the city the cases were of a very severe type. It was there my attention was called to Tutt's Expectorant, and I confess my surprise at its wonderful power. During a pracentries at its wonderful power. During a practice of twenty years I have never known a medicine to act as premptly and with such happy effects. It instantly subdued the most violen its of coughing, and invariably cured the disease in a few days. I cheerfully endorse it as the best lung medicine I ever used. J. FRANCIS HAY WOOD, M.D.

A NEWSPAPER PUBLISHER WRITES

Office Evening News, Augusta, Ga. Dr. Tutt: Dear Sir-My little son was attacked with pneumonia last winter, which left him with a violent cough that lasted till within a month since, for the cure of which I am indebted to your valuable Expectorant. I had tried most everything recommended, but none did any good until I used your Expectorant, one bottle of which removed the cough entirely.

With many thanks, I am yours truly,

JOHN M. WEIGLE

HAD TERRIBLE NIGHT SWEATS.

Memphis February 11, 1871.

Dr. Tutt: Sir-1 have been suffering for nearly two years with a severe cough. When 1 commenced taking your Expectorant I was ra-duced to one hundred and sixteen pounds in weight. I had tried almost everything; had weight. I had tried almost everything; had terrible night sweats. I have taken half dozen bottles. The night sweats have left me, the cough has disappeared, and I have gained fifteen pounds in fiesh. I recommend it to all my triends. With great respect, OLIVER RICE.

IMPORTANT QUESTIONS.

Realer, have you caught a cold? Are you unable to raise the inheren? Have you an irritation in the tires,? A subsect oppression on tation in the tire a.? A sense of oppression on the lungs, with short breath? Do you have a fit of coughing on lying down? A sharp pain now and then in a region of the heart, shoulders and back? If so, OUR ADVICE IS to take at once a dose of Tutt's Expectorant; you will soon be able to raise the phlegm. In an hour repeat the Expectorant, place a hot iron to the feet, take two of Tutt's Pills. You will soon fall into a pleasant sleep and wake up in the morning cough gone, lungs working freely: morning cough gone, lungs working freely; easy breathing and the howels moving in a natural manner. To prevent a return of these symptoms use the Expectorant several days.

A PETRIFFING CHILD .- A Cleveland, Ohio, dispatch of Saturday last says: "The most extraordinary case of sclorems, or petrifying of the skin, known in medical history was made the subject of a medical clinic in this city today. The case was that of a child brought here from New Philadelphia, and it is becoming literally a petrified child. The flesh is as cold and man flesh, and sleeps with its eyes open, pre-senting a most ghastly spectacle. Until six months ago it was in perfect health. The disease is one of the connective tissues between the skin and fish, whose origin is unknown, but is sup-posed to be caused by perverted nutrition.
